With this acquisition, apart from largest distribution network, the cumulative transmission network of ATL will reach around 12000 ckt kms, out of which approximate 9540 ckt kms are under operation (including ~1000 ckt kms under process of acquisition) and approximate 2350 ckt kms under various

stages of construction. The transformation capacity of ATL will also increase to 19,300 MVA from 34 substations (Including 8 EHV Substations under acquisition) spread across the Country. Adani Transmission Limited will remain the largest private sector transmission company in the country.

Speaking on the robust growth of the company **Mr Gautam Adani, Chairman Adani Group**, said, "The acquisition marks our foray in the Distribution sector in India. We see the distribution sector as the next sun rise sector as India embarks on its mission to achieve 24x7 power for all. We see a massive growth opportunity and will look at both organic and inorganic opportunities to build a market leading Distribution Company. With this acquisition, Adani Transmission will enjoy benefit of scale and of being an integrated distribution and transmission business in India"

About Adani Group

The Adani Group is one of India's leading business houses with aggregate revenue of over \$12 billion.

Founded in 1988, Adani has grown to become a global integrated infrastructure player with businesses in key industry verticals - resources, logistics, energy and agro. The integrated model is well adapted to the infrastructure challenges of the emerging economies.

Adani Group's growth and vision has always been in sync with the idea of Nation Building. We live in the same communities where we operate and take our responsibility towards contributing to the betterment of the society very seriously. Through Adani Foundation, we ensure development and progress is sustainable and inclusive; not just for the people living in these areas, but the environment on the whole. At Adani, we believe in delivering benefits that transcend our immediate stakeholders.

Resources means obtaining Coal from mines and trading;

Adani is developing and operating mines in India, Indonesia and Australia as well as importing and trading coal from many other countries. Currently, we are

the largest coal importers in India. We also have extensive interests in oil and gas exploration. Our coal extraction has increased to 12 MMT in 2017 and we aim to achieve coal trading and mining volume of 200 MMT per annum by 2020, thereby making Adani one of the largest mining groups in the world.

Logistics denotes a large network of Ports, Special Economic Zone (SEZ) and Multi-Modal Logistics - Railways and Ships.

Adani owns and operates nine ports and terminals in India. These are at Mundra, Dahej, Kandla and Hazira in Gujarat, Dhamra in Orissa, Mormugao in Goa, Ennore in Tamil Nadu, Visakhapatnam in Andhra Pradesh and Katupalli in Chennai. Mundra Port, which is the largest port in India, benefits from a deep draft, first-class infrastructure and SEZ status. Cargo volumes touched 169 MMT mark in 2017. Adani is developing a transshipment port at Vizhinjam, Kerala.
