### INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

### TO THE BOARD OF DIRECTORS OF ADANI TRANSMISSION LIMITED

- 1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **ADANI TRANSMISSION LIMITED** ("the Company"), for the quarter and six months ended September 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

These interim results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

7. The consolidated unaudited financial results includes the interim financial results of one subsidiary which has not been reviewed by its auditors, whose interim financial results reflect total assets of Rs. - 9. Due to outbreak of COVID-19 globally and in India, the Group management has made initial assessment of impact on business and financial risk on account of COVID-19, Considering that the Group is in the business of Generation, Transmission and Distribution of Power which is considered to be essential service, the management believes that the impact of this outbreak on the business and financial position of the Group will not be significant. The management does not see any risks in the Group's ability to continue as a going concern and meeting its liabilities as and when they fall due, Further due to the lock downs being faced by the Group, in case of distribution business wherein physical meter reading could not be done, revenue has been recognized on billing done to consumers based on past average consumption which is in line with MERC regulations/directions.
- 10. Consequent to amendment in tariff regulations, the Group has changed the useful life in respect of batteries and meters and accordingly depreciation for the current quarter and six months ended is higher by ₹ 5.58 Crores and by ₹ 73.22 Crores respectively. Further in line with the tariff regulations, the Group has changed the useful life in respect to certain Plant & Machinery and IT equipment, accordingly depreciation for the current quarter and six months ended is lower by ₹ 6.70 Crores.
- 11. MERC vide its order dated 26th September, 2019 has upheld the demand raised by Maharashtra State Electricity Distribution Company Limited (MSEDCL) on AEML ₹ 124.60 crores, towards payment of fixed cost In respect of power procured from the State pool during the financial years ended 31st March, 2012 to 31st March, 2018. Similar demands have also been raised by MSEDCL on other Mumbai Licensees. MERC in its above order, has however differed with the methodology adopted by Maharashtra State Load Despatch Centre (MSLDC) in calculating the above demand, and has issued instructions to MSLDC to issue revised bills based on the agreed revised methodology within a period of 1 year, and further, considering the amount/period involved directed MSLDC to set up a task force comprising officials from all Maharashtra Utilities to complete the task, MERC has also instructed that any amount payable (including relevant carrying cost) can be claimed by the respective Mumbai Licensees during the truing up/ARR exercise. In terms of the above stated MERC Order, considering the proposed revision in the methodology to be adopted by MSLDC in calculating the above, and the complexities involved/unavailability of technical data in respect of all utilities, the management is unable to make an estimate of the above liability and accordingly no provision has been made in respect of the above in the results for the quarter ended 30th June, 2020. AEML would account for the same and pass through to the consumers, as and when the provisional/final invoices would be received. Subsequent to the quarter end MERC vide its order 08th July, 2020 has directed MSDLC to complete the Fixed Cost reconciliation by September 2020 and raise the bills accordingly. However no invoice has been received from MSLDC till September, 2020.
