## PRINCIPLE-WISE (AS PER NVGs) BUSINESS RESPONSIBILITY POLICIES

### 1. SCOPE

For sustainable development, the management of the Adani Group of Companies (defined as "Group") will continue its efforts to strike proper balance between economic, social and environmental performance in dealings with various stakeholders of the Group, namely, customers, investors, lenders, deposit holders and the society. The Group will make its best efforts to impress upon other entities in the value chain and its associates to participate in the Business Responsibility initiatives depending upon their means and resources.

» **Principle-1**

**To conduct business and govern themselves with ethics, transparency and accountability:**

❖ **Policy :**

- i. The Group has developed Code of Conduct and directors, management and employees at all levels will abide to ensure good governance, ethical practices, transparency and accountability in conducting affairs of the Group and dealing with stakeholders across the value chain.
- ii. The Group will conduct periodic training programmes on awareness of code of conduct among its employees and stakeholders.
- iii. The directors, management and employees of the Group will report their compliance to the policy.
- iv. In the Annual report of the Company sent to shareholders, the Managing Director will certify compliance of the Company's code of conduct by directors and senior management.
- v. The Group's listed Companies will promptly post on their websites information regarding quarterly, half yearly and annual financial results / statements (standalone as well as consolidated) of the respective companies and its subsidiaries at regular intervals, Notices of general meetings, Intimations of 'Record-date', Annual Reports, shareholding patterns and such other information as per Regulation 46 of the SEBI (Listing Obligations and

## **PRINCIPLE-WISE (AS PER NVGs) BUSINESS RESPONSIBILITY POLICIES**

Disclosure Requirements) Regulations, 2015) and provisions of the Companies Act in such manner that the same is easily accessible to the investors of the Companies. The website will be updated regularly from time to time.

- vi. None of the group companies will engage in practices that are abusive, corrupt, or anti-competitive.
- vii. The Group will avoid complicity with the actions of any third party that violates any of the principles contained in these Guidelines.
- viii. The website will also contain a special window called 'Help-desk' which may be accessed by investors and customers of the Company for redressal of their grievances. The Company has dedicated e-mail id jaladhi.shukla@adani.com for investor correspondence.

### » **Principle-2**

**To provide goods and services that are safe and contribute to sustainability throughout their life cycle:**

#### **❖ Policy :**

At Adani Group, our Sustainability Policy integrates economic progress, social responsibility and environmental concerns with the objective of improving quality of life. We at Adani always believe in integrating our business values and operations to meet the expectations of our customers, employees, partners, investors, communities and public at large.

- The Group will uphold the values of honesty, partnership and fairness in its relationship with stakeholders.
- The Group shall provide and maintain a clean, healthy and safe working environment for employees, customers, partners and the community.
- The Group will strive to consistently enhance its value proposition to the customers and adhere to its promised standards of service delivery.
- The Group will respect the universal declaration of human rights, International Labour Organisation's fundamental conventions on core labour standards and operate as an equal opportunities employer.

## **PRINCIPLE-WISE (AS PER NVGs) BUSINESS RESPONSIBILITY POLICIES**

- The Group shall encourage and support its partners to adopt responsible business policies, Business Ethics and our Code of Conduct Standards.
- The Group will continue to serve its communities:
  - by implementing sustainable Community Development Programmes including through public/private partnerships in and around the area of operations.
  - by encouraging group employees to serve communities by volunteering and by sharing their skills and expertise.
  - by striving to deploy sustainable technologies and processes in all its operations and use scarce natural resources efficiently in its facilities.
  - the group will also help communities that are affected by natural calamities or untoward incidents, or that are physically challenged.
  - by establishing sourcing/ supply chain with emphasis on local procurement.

The Group management will commit all the necessary resources required to meet the goals of Corporate Sustainability.

» **Principle-3 : To promote well-being of all employees:**

❖ **Policy :**

The Group has migrated from an era of industrial relations to employee relations. It respects the employees' right to freedom of association, participation and collective bargaining. Employees at all levels shall have freedom of association and be free to participate in collective bargaining. Workers participation in Management shall be governed by a well laid down policy framework.

- i. The Group will provide equal opportunity to all employees starting from their recruitment irrespective of their caste, creed, gender, race, religion, and language. The employees of the Group can belong to any part of the country and will be selected based on individual merit without any discrimination or preference.
- ii. The Group will also formulate schemes and policies to address health, superannuation issues and welfare needs of employees and their families.

## **PRINCIPLE-WISE (AS PER NVGs) BUSINESS RESPONSIBILITY POLICIES**
