

NOTIFICATION

Jaipur, 15th March, 2004

RAJASTHAN ELECTRICITY REGULATORY COMMISSION (LICENCING) REGULATIONS, 2004

No. RERC/Reg. No. 20 - In exercise of the power conferred by Subsection (2) of Section 181 and Sections 15 and 18 of the Electricity Act, 2003 (No. 36 of 2003), the Rajasthan Electricity Regulatory Commission, after previous publication hereby makes following regulations, namely:

1. Short title, commencement and application

(1) These regulations may be called Rajasthan Electricity Regulatory Commission (Licensing) Regulations, 2004.

(2) They shall come into force with effect from the date of their publication in official Gazette.

(3) These regulations shall apply to licences for transmission or distribution of electricity.

2. Definitions

(1) In these regulations unless the context otherwise requires: -

(a) "Act" shall mean the Electricity Act 2003 (No. 36 of 2003).

(b) "Commission" shall mean the Rajasthan Electricity Regulatory Commission.

(2) Words and expressions used herein and not defined shall have the meaning respectively assigned to them in the Act.

3. Application form and fee for licence

(1) An application for the grant of Licence shall be made in Form-1 and that for seeking amendments to an existing licence shall be made in Form-2.

(2) An application under sub-clause (1) shall be made in six copies (one original plus five copies) to the Secretary, Rajasthan Electricity Regulatory Commission.

(3) An application under sub-clause (1) shall be accompanied by a fee, as may be prescribed by the State Government. The amount of fee shall be remitted in the form of a demand draft drawn in favour of the Secretary, Rajasthan Electricity Regulatory Commission and payable at Jaipur.

4. Documents to accompany application

An application for grant of a licence shall be accompanied by

(a) (i) a map of area of supply or transmission for which licence is sought showing the administrative units like districts, tehsils or panchayat samitis, towns, villages, proposed to be covered. In case a smaller area is proposed to be covered then its boundaries shall also be

demarcated on the map and it shall be identified by what lies on east, west, north and south of such area.

(ii) Such maps may be on topography sheets of Survey of India and should be on a sufficiently large scale.

(b) a list of Zila Parishad and municipalities falling in the proposed area of supply or transmission.

(c) A list of protected/reserved forests, sanctuaries and monuments of archeological importance in the proposed area of supply or transmission.

(d) a list of cantonment , aerodrome, fortress, arsenal, dockyard or camp or any building or place in occupation of the government for defence purposes in the proposed area of supply or transmission.

(e) an approximate statement of capital proposed to be employed in connection with the licence,

(f) in case an applicant is a company, society, local authority or partnership concern:

(i) a copy of the Memorandum and Articles of Association of the company or constitution of society or partnership deed,

(ii) a copy of Annual Accounts for the last three years or for the period incorporated or registered, if less than three years,

(iii) a copy of resolution passed by the company or society or local authority for making such application, and

(g) documents mentioned in Part III of Form 1.

(h) Any other document or information that the Commission may ask for by a specific or general order.

5. Application for grant of a distribution licence in area of supply of an existing licensee.

A person applying for grant of a licence for distribution of electricity through his own distribution system within the same area of supply of an existing distribution licensee shall, in addition to the provisions of clauses 3 and 4, comply with such additional requirements including capital adequacy, creditworthiness or code of conduct as may be prescribed by the Central Government.

6. Application for amendment to an existing licence

An application for amendment or alteration to terms and conditions of an existing licence shall :-

(a) contain the existing provisions and proposed amendments to the licence and reasons therefor, and

(b) be accompanied by a map showing changes in area of supply or transmission if any change is desired in such area.

(c) be accompanied by other documents mentioned in clause 4 relevant to the amendments proposed.

7. Notice of application for licence

(1) Within seven days after making application for licence, the applicant shall publish a notice in Form-3 in one issue each of a daily news paper in English language and two daily news papers in Hindi language having wide circulation in the area of supply or transmission for which the licence is sought.

(2) A person applying for a transmission licence shall immediately after applying to the Commission forward a copy of his application to the State Transmission Utility and inform the Commission of the date of its delivery to the State Transmission Utility.

8. Incomplete or deficient application

(1) An application for grant of licence shall be considered by the Commission in accordance with the provisions of Rajasthan Electricity Regulatory Commission (Conduct of Business) Regulations 2000.

(2) If on scrutiny, an application for grant of a licence is found to be incomplete or deficient in any manner, it shall be returned to the applicant for making a fresh application after completing it or removing deficiencies.

(3) The applicant shall follow the procedure laid down in clause 7 in respect of his fresh application.

9. Notice of an application for amendment to an existing licence

(1) The application of a licensee for making amendments and alterations to an existing licence shall be considered in accordance with the provisions of Rajasthan Electricity Regulatory Commission (Conduct of Business) Regulations, 2000, and any deficiency in the application shall be conveyed to the licensee within fifteen days for removing such deficiency.

(2) Where no deficiency is conveyed by the Commission within fifteen days of making of an application, the licensee shall publish a notice in Form-4 within one week of expiry of the said fifteen days in one issue each of a daily newspaper in English and two daily newspapers in Hindi language having wide circulation in the area of supply or transmission as the case may be, of his existing licence.

(3) Where the Commission has conveyed deficiency in the application to the licensee, the licensee shall publish a notice in Form-4 in the newspapers as mentioned in sub-clause (2) within 7 days of removing such deficiency.

10. Notice of amendment proposed by the Commission

(1) If in the opinion of the Commission, it is in public interest to make certain amendment or alteration to an existing licence, it shall publish a notice in Form-5 in one issue each of a daily newspaper in English and two daily newspapers in Hindi language having wide circulation in the area of supply or transmission, as the case may be, of the licensee.

(2) A copy of the notice shall also be served on the licensee for obtaining his consent to the amendment or alteration proposed by the Commission.

11. Information to the Commission regarding publication of a notice

Within one week of publication of notice in newspapers under clauses 7 to 9, the applicant shall intimate to the Commission the date of its publication and attach such notice published in the newspaper with such intimation.

12. Availability of application for inspection

The applicant shall make available sufficient number of copies of his application for grant of a licence or for amendment of his licence, along with its enclosures for inspection by any person in the office of the Commission, Electrical Inspector and in his own office.

13. Consideration of objections

(1) The Commission shall consider all objections received within thirty days of the date of publication of notice issued under clauses 7 to 10.

(2) Where an application for grant of a transmission licence is being considered, the Commission shall consider all suggestions or objections and recommendations of the State Transmission Utility sent to the Commission within thirty days of receipt of a copy of the application under sub-clause (2) of clause 7.

(3) Where an application for grant of licence or for amendment or modification of a licence includes or modifies whole or any part of cantonment, aerodrome, fortress, arsenal, dockyard or camp or of any building or place in the occupation of the government for defence purposes covered by the proposed or existing licence, as the case may be, the Commission shall ascertain that there is no objection to such grant or amendment or modification to the licence by the Central Government.

14. Grant of licence

(1) The licence to be granted by the Commission may be in Form 6 with appropriate modifications in each individual case, as may be necessary.

(2) Where the Commission after considering objections under clause 13 proposes to issue a licence to the applicant, it shall publish a notice in Form-7 stating the name and address of the person to whom the licence is proposed to be issued in one Hindi language and one English language daily newspaper having wide circulation in the area of supply or transmission, as the case may be, of the proposed licence.

(3) The Commission shall also serve a copy of the notice under sub-clause (1) to the applicant to convey his willingness to accept the licence, within one week of its service on him.

(4) After receipt of the willingness of the applicant to accept the licence, the Commission shall issue the licence to the applicant.

(5) As far as practicable, the Commission shall issue licence within ninety days of receipt of an application under clause 7 or under clause 8, for grant of a licence.

15. Rejection of application for grant of licence

The Commission, as far as practicable, within ninety days of receipt of an application for grant of a licence may reject an application for reasons to be recorded in writing if such application

does not conform to the provisions of the Act or the rules and regulations made thereunder or the provisions of any other law for the time being in force.

16. Term of licence

(1) The licence shall commence from such date as the Commission may specify in the licence.

(2) A licence shall continue to be in force for a period of twenty five years unless such licence is revoked earlier.

17. Copies to State Government etc.

Immediately after issue of a licence, the Commission shall forward a copy of the licence to the State Government, the Central Electricity Authority, State Transmission Utility, State Load Dispatch Center, Electrical Inspector and to the Zila Parishads and Municipalities in the area of supply or transmission.

18. Supply and inspection of printed copies of licence etc.

Every person, who is granted a licence, shall within thirty days of the grant thereof:

(a) have adequate number of copies of the licence printed and

(b) have adequate number of maps prepared showing the area of supply or transmission as the case may be, as specified in the licence and

(c) make available a copy of such licence and map for public inspection at all reasonable times at his head office and at his registered offices if any, office of Commission and Electrical Inspector, and

(d) shall make necessary arrangements for the sale of printed copies of the licence and maps to all persons applying for the same, at a price not exceeding Rs. 200/=.

19. Amendment of an existing licence

(1) Where after considering objections under clause 13 on the application of the licensee for making alteration and amendment in the terms and conditions of his licence, the Commission is of the opinion that it is in public interest to do so, the Commission may make such alteration and amendment as it may think fit.

(2) Where alteration and amendment to the terms and conditions of an existing licence are proposed by the Commission, it may make such alteration and amendment as it may think fit after considering the objections under clause 13.

(3) No alteration and amendment shall be made except with the consent of the licensee unless the Commission is of the opinion that the consent has been unreasonably withheld.

20. Supply and inspection of amended licence

The provisions of clause 18 shall apply mutatis-mutandis, to a licence amended under clause 19.

By order of the Commission

(S.S. Rajvi)

Secretary

Form -1

[Clause-3]

Form of Application for grant of Licence for transmission or distribution of electricity in the State of Rajasthan.

Part-I

BEFORE THE RAJASTHAN ELECTRICITY REGULATORY COMMISSION, JAIPUR

Application No.....

Case No.....

(To be filled by Commission's office)

IN THE MATTER OF:

Grant of Licence for transmission/distribution of electricity under section 14 of Electricity Act, 2003 to: -

1. (Full Name)
